

Oluwabunmi Gbemisoye

Front End Web Developer

Experienced frontend developer who is comfortable working with HTML, CSS, JavaScript and React to deliver exceptional customer experiences. With a passion for both personal growth and software development, I attended a coding bootcamp to learn new languages while sharpening my existing skills.

WORK EXPERIENCE

Frontend Intern

May 2022 – August 2022

Zuri Team, Inc. Remote

- Transformed figma designs to responsive applications.
- Developed websites from scratch with HTML, CSS and JavaScript.
- Validated forms on client side to improve performance.
- Utilized version control with Git.
- Received mentorship from 3 senior developers while consistently implementing their feedback.

Frontend Developer

January 2022 – April 2022

Africa Trainovation Consulting , Abeokuta Nigeria.

- Built reusable frontend components with React.
- Fetched data from APIs for different applications.
- Coded fully functional websites with React.js and Tailwind CSS.
- Debugged lines of code and fixed errors.
- Collaborated with other developers in building projects.

PROJECTS

E-commerce Website

LIVE LINK - <https://jummy-luxe.vercel.app/>

- An online fashion store developed with React. Implemented hooks, functional components and used stripe to facilitate payment.

Recipe App

LIVE LINK - <https://recipe-app-oluwa-bunmi.vercel.app/>

- A responsive website for looking up recipes by fetching data from an API. Applied the knowledge of React hooks, local storage and functional components.
